Program or any other Warranty Provider. This Program is exclusive, in lieu of all other warranties and will take effect after the OEM and all other Warranty Coverage Expires. However, ITW Professional Automotive Products will pay the deductible amount under an extended service contract purchased by Consumer subject to the terms and conditions contained herein. To qualify for coverage and comply with the terms of this Program, the Consumer must have one or more services performed to their vehicle within the maximum specified mileage service intervals described herein and at a professional service center using qualifying Wynn’s products and service equipment.

All covered services referred to in this Program must be performed at an approved professional service center using Wynn’s products, Wynn’s service equipment and OEM specified fluids. The Consumer or any other individual may not change the oil or lubricants in the vehicle and may not perform their own services and maintain Program coverage. Program coverage begins 750 miles (1,200 km) after the initial qualifying Wynn’s service, separately for each service area covered. Services must be performed within the maximum mileage service interval for Titanium Level. A grace period of 500 miles (800 km) will be extended to keep the Program active on Gold Level only. If coverage from a previous Service Chemical Warranty, Protection Plan or other approved Aftermarket Service Chemical Program exists, exclusive of OEM or other extended warranties, payout coverage under this Program will continue with respect to the two levels offered herein as determined by the vehicle mileage at the time of enrollment into previous program and provided that the vehicle has been maintained in accordance with the terms of the previous plan.

**MINIMUM MILEAGE QUALIFICATION:**
- An annual minimum of 5,000 miles (8,000 km) accumulation is required to initiate and maintain the Program coverage.
