

LIFETIME DIESEL PROTECTION

LEVEL 1

VEHICLES WITH
0-50,000 miles (0-80 000 km)
or 1,500 hours
(as shown on the odometer)

LEVEL 2

VEHICLES WITH
50,001-100,000 miles (80 001-160 000 km)
or 1,501-3,000 hours
(as shown on the odometer)

Enrollment into Level I or II must occur within the specified mileage per level. The Program will only take effect 750 miles (1 200 km) after the first qualified service has been performed. The maximum benefit coverage provided to vehicle is limited up to the specified coverage amount per level, per service as specified herein.

DIESEL FUEL SYSTEM (TANK ADDITIVE)

DIESEL FUEL SYSTEM

Service Interval: Maximum 10,000 miles (16 000 km)

Qualifying Products: Service must be performed with Wynn's Diesel fuel products – #18001 or 21301.

- Use 1 bottle of product for tanks up to 20 gallons (75 liters)
- Use 2 bottles of product for tanks between 20 and 40 gallons (75 and 150 liters)

Maximum Coverage: Level 1: \$4,000 (\$5 000 CAD) Level 2: \$2,000 (\$2 500 CAD)

Covered Parts: Diesel fuel injectors (deposit related failures only).

DIESEL FUEL INJECTION SYSTEM SERVICE

DIESEL FUEL INJECTION SYSTEM

Service Interval: Maximum 15,000 miles (25 000 km)

Qualifying Products: Service must be performed with the Wynn's Power Diesel Injection tool and with the Wynn's Diesel Purge Kit #10366.

- Use 2 bottles of product for 6-cylinder and up diesel engine

Maximum Coverage: Level 1: \$4,000 (\$5 000 CAD) Level 2: \$2,000 (\$2 500 CAD)

Covered Parts: EGR cooler, EGR valve (limited to failures due to deposits) and intake valves.

DIESEL ENGINE SERVICE

DIESEL ENGINE SERVICE

Service Interval: Maximum 15,000 miles (25 000 km)

Qualifying Products: Service must be performed with Wynn's Diesel engine oil products:

- #81011 & 12611 (up to 5 qts)
- #81032 & 12632 (over 5 qts and up to 15 qts)

Maximum Coverage: Level 1: \$4,000 (\$5 000 CAD) Level 2: \$2,000 (\$2 500 CAD)

Covered Parts: Lubricated engine parts including piston, rings, timing gears or sprockets, valve lifters, cylinder liners or bores, push rods, turbo bearings, wrist pins and bushings, distributor drive gear, cam shafts and bearings, rods and rod bearings, oil pump, rocker arms and pivots, crankshaft and bearings, intake valves and guides.
 Timing chains, gaskets and maintenance items are not covered.

PROGRAM SCOPE OF COVERAGE: THE WYNN'S POWER DIESEL™ LIFETIME PROTECTION PROGRAM (PROGRAM) IS BETWEEN THE PROGRAM HOLDER (CONSUMER) AND ITW PROFESSIONAL AUTOMOTIVE PRODUCTS (A DIVISION OF ILLINOIS TOOL WORKS INC.) AND DOES NOT EXTEND ANY WARRANTY PROVIDED BY ANY VEHICLE MANUFACTURER OR ANY OTHER WARRANTY PROVIDER. THIS PROGRAM IS EXCLUSIVE, IS IN LIEU OF ALL OTHER WARRANTIES AND WILL TAKE EFFECT AFTER THE OEM AND ALL OTHER WARRANTY COVERAGE EXPIRES. HOWEVER, ITW PROFESSIONAL AUTOMOTIVE PRODUCTS WILL PAY THE DEDUCTIBLE AMOUNT ONLY UNDER AN EXTENDED SERVICE CONTRACT PURCHASED BY CONSUMER SUBJECT TO THE TERMS AND CONDITIONS CONTAINED HEREIN.

All covered services referred to in this Program must be performed at an approved professional service center using Wynn's products, Wynn's service equipment and OEM specified fluids. The Consumer or any other individual may not change the oil or lubricants in the vehicle and may not perform their own services and maintain Program coverage. Program coverage begins 750 miles (1 200 km) after the initial qualifying Wynn's service, separately for each service area covered. Services must be performed within the maximum mileage service interval for Level I. A grace period of 500 miles (800 km) will be extended to keep the Program active on Level II only. If coverage from a previous Service Chemical Warranty, Protection Plan or other approved Aftermarket Service Chemical Program exists, exclusive of OEM or other extended warranties, payout coverage under this Program will continue with respect to the two levels offered herein as determined by the vehicle mileage at the time of enrollment into previous program and provided that the vehicle has been maintained in accordance with the terms of the previous plan.

MINIMUM MILEAGE QUALIFICATION: An annual minimum of 5,000 miles (8 000 km) accumulation is required to initiate and maintain the Program coverage.

EXCLUSIONS: Excluded from Program coverage are vehicles that have been modified for or used in competition or those in agricultural use, taxis, buses, limousines, rental vehicles, law enforcement vehicles, motor homes, vehicles used for the delivery of goods or persons, construction, racing, vehicles equipped with a snow plow, salvage or "grey market" vehicles, vehicles with inoperative or inaccurate speedometers or odometers and vehicles with rebuilt titles. Coverage for this Program becomes null and void if it has been found that the vehicle odometer has ceased operating, malfunctioned or shows signs of tampering. Coverage is only provided for legally registered passenger cars, vans, SUVs and pick-up trucks with a GVW of 14,000 lbs. (6 350 kg) or less. Claims resulting from collision, fire, theft, vandalism, contamination of fluids, acts of God, war, misuse, abuse, riot, freezing, negligence, lack of required maintenance per vehicle manufacturer and Program requirements render this Program null and void. Pre-existing conditions and damage to system components prior to service are excluded, not covered under this Program and may be verified through independent parts analysis. This Program excludes the use of in-house maintenance or repair facilities. In case of a leased vehicle, the lessee must be primarily obligated for repairs and maintenance. If vehicle is used for towing a trailer, other vehicle or object, the covered vehicle must be equipped with a factory-installed tow package or equivalent.

COVERAGE & PAYMENTS: Failure of a covered part that is a direct result of a mechanical or structural flaw that the manufacturer acknowledges through any means, such as recall or factory service bulletins, or that the manufacturer will repair at its expense is not covered. State tax, local tax, storage fees, shop supplies, core charges and diagnosis are not covered. This Program includes coverage for certain consequential damages (up to the applicable maximum coverage amount) only to the extent that a failed component caused damage to occur or if certain repairs are necessary to complete the warranty repair. Payment of claims under this Program shall be limited to industry accepted labor times to make necessary repairs or to replace any irreparably damaged part as allocated by Mitchell's Flat Rate Guide or other industry accepted flat rate guides, at the commercial repair shops posted hourly labor rate, along with the reasonable cost of replaced parts of like kind and quality. To maintain coverage under this Program, all receipts and repair orders for maintenance and qualified services must be furnished as required by this Program. Failure to furnish all necessary records will render coverage under this Program null and void. Rental vehicle costs incurred during repair of covered part(s) are not covered by this Program.

DISPUTE RESOLUTION: All disputes arising relating to this Program shall be settled by binding arbitration which shall be held in Lakeland, Florida and in accordance with the rules of the American Arbitration Association. Each party shall pay the fee and expenses of its own arbitrator and half the expenses of a mutually agreeable third arbitrator.

MAKING A CLAIM: In the event of a claim, prior to making any repairs, contact the Program Claims Administrator at www.wynnsusa.com/programs or by mail at ITW Professional Automotive Products, 3606 Craftsman Blvd., Lakeland, FL 33803. ANY REPAIRS MADE WITHOUT PRIOR AUTHORIZATION FROM THE PROGRAM CLAIMS ADMINISTRATOR WILL NOT BE COVERED UNDER THE PROGRAM AND WILL VOID FURTHER COVERAGE OF PART/SERVICE. All service repair orders showing that vehicle was serviced in accordance with the Program terms and conditions specified herein, qualified service repair orders showing vehicle was serviced as required by the terms and conditions of a previous protection program (excluding OEM and extended warranties paid by Consumer), proof of previous protection plan (if applicable), a complete statement of damage with repair estimate, vehicle purchase date verification or lease agreement (if vehicle is leased) and, if requested, the damaged part(s) along with a sample of system fluid must be provided to the Program Claims Administrator.

Only vehicles operated and repaired in the U.S. and Canada are eligible for this Program coverage. This Program is for the applicable maximum coverage amount specified herein and, except as specifically provided herein, this Program does not include coverage for any incidental, indirect, special, punitive or consequential damages whether or not based on negligence or breach of warranty or strict liability in tort or any other cause of action which arises from the Program. This Program provides Consumer with specific legal rights; other rights may be available in Consumer's state or province. This Program is transferable if vehicle ownership changes. The terms and conditions of the Program may be subject to change without notice.
