

FUEL (DIESEL) PRODUCT OFFERING CHART

Technical Services: 800-255-8138, Option 4

DIESEL FUEL SYSTEM SERVICE

PRODUCT # / DESCRIPTION	FILL	BENEFITS		QR CODE
ZW15401 Diesel Injector Purge	16 FL OZ (473 mL)	Cleans Toughest Deposits from Diesel Fuel Injectors & Combustion Chambers. Restores Proper Injector Spray Pattern. Reduces Diesel Particulate Emissions.		
ZW26716 Diesel Power Charge™	16 FL OZ (473 mL)	One Tank Removal of Injector Deposits. Superior Cold Weather & Anti-Gel Performance as Demonstrated by up to 13° Decrease in Temperature at which Filters Plug. Increases Cetane Number Leading to Improved Ignition Quality & Reduced Emissions.		
ZWK20366 Diesel Purge Kit (ZW26716 & ZW15401)	KIT	Measurably Improves Power & Performance. Removes Deposits from Diesel Fuel Injectors, Diesel Fuel Lines & Combustion Chambers.		
ZW26811 Advanced Spitfire™	11 FL OZ (325 mL)	Reduces Carbon Buildup in Injectors. Increases Cetane Number. Decreases Gelling Temperature by up to 7°C (13°F)		
ZW21601 Turbo Cleaner	6 FL OZ (170 g)	Restores Air Flow & Performance. Effective for Both Diesel & Gasoline Turbo Charged Engines. Extends the Life of the Turbo.		

DPF (DIESEL PARTICULATE FILTER) SERVICE

ZW26911 DPF Cleaner Plus	11 OZ (325 mL)	Removes Carbon Buildup and Soot from the Diesel Particulate Filter and Exhaust System without Engine Teardown. Contains both a Combustion Catalyst and Detergent to Reduce Carbon Deposits throughout the Combustion and Exhaust System		
-----------------------------	-------------------	---	---	---

INDUCTION & EGR SERVICE

ZW71032 Power Diesel Induction & EGR Cleaner	1 QT (946 mL)	Removes Deposits from EGR & Induction Systems. Reduces Emissions. Cleans DPF and Reduces Regeneration Cycles. Improves Air Flow Through Induction System.		
---	------------------	---	---	---

ENGINE (DIESEL) PRODUCT OFFERING CHART

Technical Services: 800-255-8138, Option 4

DIESEL ENGINE OIL SERVICE

PRODUCT # / DESCRIPTION	FILL	BENEFITS		QR CODE
ZW12611/ ZW12632 Diesel Clean OSC (Oil System Cleaner)	11 OZ (325 mL) 1 QT (946 mL)	Cleans and Conditions Crankcase During Oil Change. Achieves a More Complete Oil Change. Anti-Wear and Extreme Pressure Agents Protect the Engine During Cleaning.		
ZW82011/ ZW82032 Diesel Engine OST (Oil System Treatment)	11 OZ (325 mL) 1 QT (946 mL)	Enhanced Wear Protection that Extends Engine Life. Reduces Deposit and Acid Formation. Improves Oxidation Stability. Protects from Friction and Wear.
