

BRAKE

BRAKE CLEANER

Brake fluid, oil and grease from roadway surfaces can build up on vehicle brake assemblies, preventing smooth and effective operation. Wynn's® Brake Cleaner is an aerosol product formulated with a special blend of solvents to dissolve and remove contaminants from brake assemblies. These solvents then evaporate, leaving no grimy residue.

FEATURES & BENEFITS

- ✓ Use on Brake Assemblies, Including Linings, Parts and Cylinders
- ✓ Formulated with a Blend of Solvents Designed to Clean Away Oil, Grease, Mud & Dirt
- ✓ Fast Drying, Leaves No Residue
- ✓ Contains No Chlorinated Solvents

SPECIFICATIONS:

Product No: ZW62903

Net Weight: 13.3 oz. (376 g)

Case Quantity: 12 Each

* NOT FOR SALE IN CA, CO, CT, DE, MD, NH, NY, RI & UT

BRAKE

BRAKE CLEANER

THE PROBLEM:

- Oil and grease, dirt and grime can build up on brake assemblies over time, interfering with operation and contributing to corrosion.
- Brake dust may collect on rotors and pads, causing high pitched squeaking when brakes are applied.
- Some brake cleaners are formulated with chlorinated solvents. While these are very effective cleaners, they present toxicity hazards to the user and the environment.
- Brake cleaners that use soap or surfactants for cleaning may leave behind a residue that could interfere with operation.

THE SOLUTION:

- Wynn's® Brake Cleaner, formulated with a mixture of solvents, cleans away dirt and contaminants. Its quick-drying formula leaves brake surfaces clean and dry.
- Wynn's® Brake Cleaner cleans away brake dust, restoring quiet operation.
- Wynn's® Brake Cleaner cleans effectively without the use of any chlorinated solvents.
- Wynn's® Brake Cleaner uses fast-drying solvents. There are no soaps or surfactants that will leave a residue with use.

Directions: Use only in a well-ventilated area, away from heat and sources of ignition. Read SDS before use. Apply only to cool surfaces. Liberally spray surfaces to be cleaned and allow product to run off.

NOTE: Do not use on painted surfaces. If sprayed on paint, immediately wash off with soap and water.
